Dear Auburn Boulevard Property Owners, Businesses and Stakeholders,

The ***Auburn Boulevard Complete Streets Revitalization Project*** (Project) is continuing to move forward and the City is committed to keeping you informed along the way. The City will be periodically sending you information on upcoming meeting dates and other pertinent project information.

Thank you to those that attended our first Business Community Meeting on January 17, 2012. We had approximately 50 property owners, businesses and other stakeholders attend. At the meeting, staff presented information on the project's background, funding sources, timeline, and the City's outreach plan to keep Auburn Boulevard property owners, businesses, and residents informed. To view handouts available at the meeting, visit the project web page at www.abcupdate.net.

The Project's next steps are to commit the funds for the project's construction and receive City Council approval to bid out the project in March. The Project Team would like to invite all affected Auburn Boulevard property owners, businesses and residents to the City Council meeting. The meeting is scheduled for:
