Video Game Coding and Design

In this class students will work with a partner to learn the basic principles of video game design. Working with Multimedia Fusion software and with an in class partner, you'll learn the conditional coding necessary to make your video game creations work. Students will create characters, game environments and more!

Mon - Fri **1:00 - 4:00pm**
2800.202 7/24 - 7/28 8 - 12 years

App Design: Basic Building Blocks

The Freshi Media App Design class is a fun and exciting introduction for students who want to learn different aspects of computer based App Design. Utilizing Multimedia Fusion 2 software, students work with a partner to create individual computer based app style projects. Students will complete projects such as fun game based apps and practical utility apps.

Mon - Fri **9:00am - 12:00pm**
2800.203 7/31 - 8/4 8 - 12 years

Video Game Coding: Platform Games

Students will work with a partner and will create unique levels, characters and an original plot line. Give your characters gravity and create interesting and original bad guys to challenge you through your game. Working with design, animation and programming tools, students will create a fun and engaging platform adventure!

Mon - Fri **1:00 - 4:00pm**
2800.204 7/31 - 8/4 8 - 12 years

Students should bring paper and a pencil to class for notetaking. A USB Drive will be needed on the last day to take home the created games.
