11:00AM**

1. Question: After reviewing your bid attached, we see that you do not provide an Extended Price Column on your bid Submission sheet? Was that intentional and you only require the unit price for each item?
 - **Answer: The extended price column was removed from the table intentionally.**
 - **No math calculation is needed (extended price) as volume listed is for informational purposes only.**
 - **Bid #'s will be reviewed/compared by unit price.**

2. Question: If you can't supply one of the items, will the bid be thrown out?
 - **Answer: Bid will not be thrown out if you can't supply an item. SRPD can award to one supplier for some items and another supplier for other items.**
